To,

Resp.Parents,

Namaskar !

‘Let girls fly high’ with this motto we are providing a platform for girls education which is an investment in the future of our world – a thriving, peaceful and sustainable world. Education is a systematic process through which a child acquires knowledge, experience, skill and sound attitude. We thrive to facilitate our daughters to achieve holistic development through competency based and experiential learning. We encourage our daughters to bring out their imagination, creativity and expression through various activities.

Our July –month started with a mega event of ‘Investiture Ceremony’ in which student council was framed and felicitated. Student Council is an organization conducted by students and supervised by facilitators. The function of the student council is based upon parliamentary procedures. Ideas are presented, voted upon and confirmed by the student body president. Any student that is interested in leadership, organizational behavior, event planning or becoming more involved in the school is welcome to become involved.

Investiture ceremony was followed by celebration of English month. These activities develop independent learning, public speaking and managerial skills in an individual. Also it creates awareness towards society and nature.

Today’s life is busier than we can imagine with increasing impact of social media, digitalization and parents juggling both home and work. Spending quality time with children is essential for their healthy growth and development. We strive to provide quality time, values and ethics to our daughters and expect the same from parents

English Month Celebration

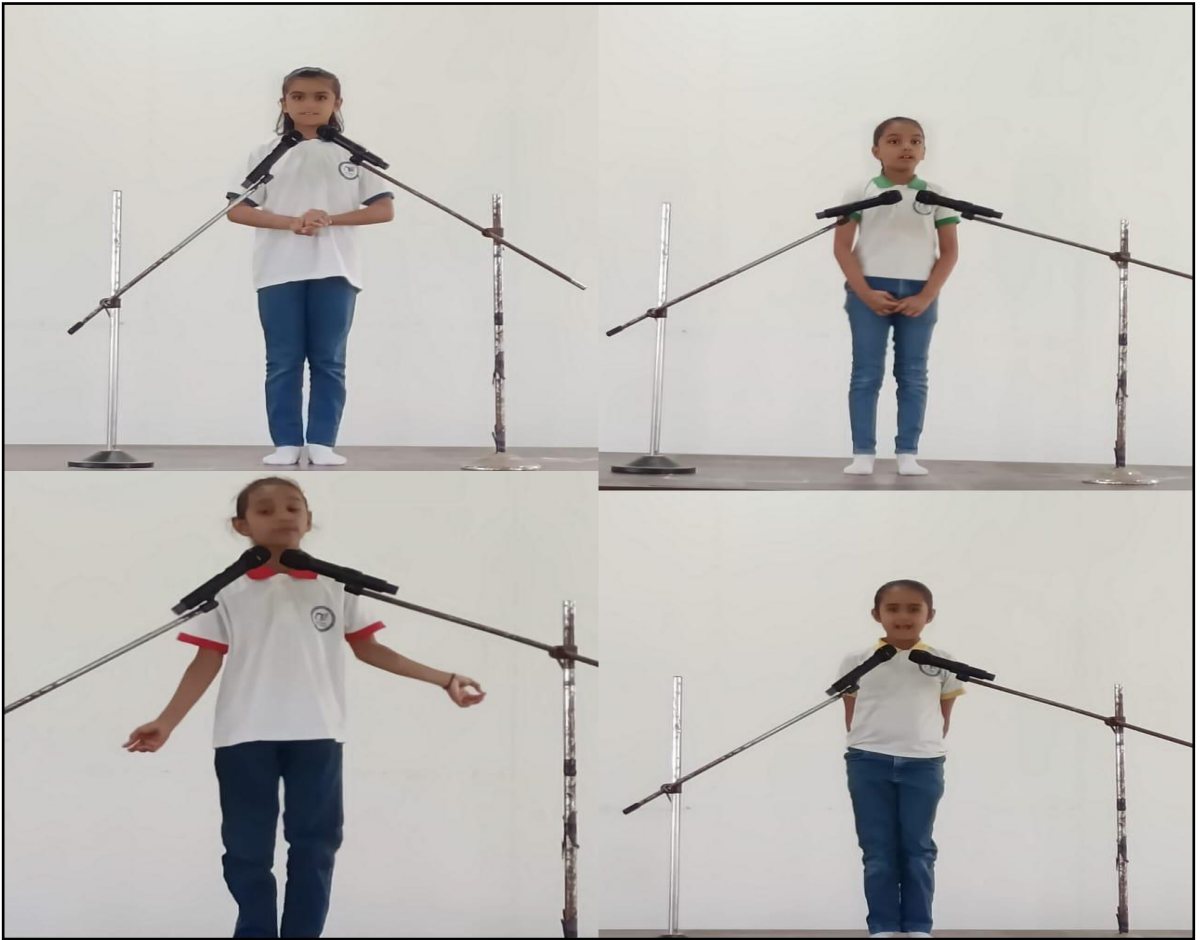

Every year we celebrate English Month, the main objective being to enhance language proficiency. It provides a good training ground for developing communication skills.

This year too we conducted from 1st July – 30th July 2022. An array of activities was conducted to enhance confidence and competence of the students. We included activities like Recitation, Storytelling and Spell bee. The students participated with great zeal and enthusiasm.
